Equal Exchange Coffee and Chocolate:

French Roast

Pre-Roast Blend: French Roast

The initial flavor of this blend is sweet and intense with a dark, spicy bite that leaves you lingering in anticipation of your next sip. This is a bold blend for the risky at heart.

Organic Love Buzz

Post-Roast Blend: Full City and French Roast

Created by a genius in Philadelphia, this secret recipe delivers a sweet, sultry and smooth coffee with an unexpected bite and lasting finish.

A smorgasbord of roasts in a combination of Latin American beans so fine it will make your heart pound. Feel the love!

Organic Ethiopian

Full City Roast

We are proud to introduce this, our first-ever offering from the birthplace of coffee, Ethiopia. Grown in the southern state of Sidama, this exotic and complex coffee has heavy body, gentle acidity and hints of vanilla, black pepper and raspberry, and lives up to Ethiopian coffee's well-deserved reputation for excellence.

Organic Orange Dark Chocolate (65% Cacao)

This mouth-watering, 65% cacao content chocolate bar is a blend of smooth dark chocolate and ripe, refreshing orange. This bright citrus bar will satisfy your cravings for something sweet and fruity. Vegan and gluten-free.

Organic Very Dark Chocolate (71% Cacao)

The top seller at our retail web store - a delicious and rich dark chocolate experience. Vegan and gluten-free.

Organic Panama Extra Dark Chocolate (80% Cacao)

This 80% cacao content bar is Equal Exchange's darkest yet. Unlike many high cacao content bars that are dominated by a bitter or sour note, this bar is perfectly balanced in a way that allows the true chocolate flavor of the Panamanian beans to shine. Vegan and gluten-free.

Black Quinoa - Organic

Quinoa (pronounced 'keen-wah') is an ancient whole grain that has been cultivated in South America for more than 5,000 years. Referred to as the 'mother grain' and as a 'protein powerhouse', it is considered one of the best sources of protein.

Red Quinoa - Organic

Quinoa is an ancient cereal grain that grows in the Andes Mountains of South America. Locally referred to as the 'mother grain' and as a 'protein powerhouse', quinoa is nutritionally charged and is considered one of the best sources of protein
